CHARLES W. KIMBERLY

DIES JUNE 26TH AT ROCHESTER, MINN., FOLLOWING OPERATION AT MAYO HOSPITAL

David G. Crofton, Commander of Glendale Commandery, Knights Templar, is in receipt of a telegram, dated June 26th, from the Knights Templar Commander at Rochester, Minn., advising him of the death of Charles Wallace Kimberly, and of the further fact that his body will reach Los Angeles Monday at 11 a. m. By the desire of the widow the Commandery was requested to arrange for a Knights Templar funeral.

Mr. Crofton announces that funeral services will be held Tuesday afternoon at the Masonic Temple and all members of the Commandery are expected to be in attendance.

The Kimberlys have resided in Glendale at 1645 San Fernando Road for about three years, and have a large circle of friends here and in Los Angeles where they formerly lived.

GLEN EYRIE CHAPTER MEETS

The regular meeting of the Glen Eyrie Chapter, Eastern Star, was held Thursday evening at Masonic Temple with an attendance of about 50.

The session was followed by a social hour in which jinks in the shape of nonsensical stunts were enjoyed and refreshments were served. The first item on the social program was a spelling bee in which four contestants were left standing who cut for the prize, viz., Frank Booth, Mrs. Harriet Frank, Miss Corine Orff and Mrs. J. L. Anderson. Mrs. Booth was the lucky one and secured the prize, a Japanese incense burner. The dignified commander of the Glendale Commandery, David G. Crofton, won the prize offered in a string chewing contest to secure a marshmallow at the end of the string. Several guests from other chapters were present.

MISSIONARY TO LEPERS

Mrs. Lillian Marks Kelley, a returned missionary from China, who, with her husband, has been engaged in work among the lepers on the Island of Hainan off the coast of China, will be a speaker at the Tropic Presbyterian Church Sunday evening. Eighteen years ago she spoke in the Central Avenue Methodist Church. At that time she was in the employ of the Woman's Foreign Missionary Board of the Methodist Church, but on one of her furloughs she and Dr. J. F. Kelley, a Presbyterian missionary, met, loved and married, and she then transferred her membership to the Presbyterian Church.

NOW IN AFRICA

ELDER E. E. ANDROSS TO BE DETAINED IN DARK CONTINENT ABOUT THREE MONTHS

June 6th a letter was received from Elder E. E. Andross, former president of Pacific Union Conference and now Vice-President of the General Conference of Seventh Day Adventists. The letter was dated at Bloemfontein, Orange Free State, South Africa, and stated that he would probably be detained in the dark continent three or four months, and that on his way home it might be necessary for him to make a stop in Europe.

He sailed from Bombay, India, February 20th, arriving in Durban, South Africa, March 16th. Since that time he had been attending the biennial conference of the South African Union Conference at Bloemfontein, which was just ending. He expected soon to leave for Northern Rhodesia and then, if possible, to go to Belgian Congo and to Nyasaland, where the denomination has mission stations.

TO VISIT CARTER'S CAMP

As a farewell attention on the eve of departure of Mrs. Cameron Johnston and her nieces, Cora Louise Butterfield, Virginia, Jane and Mary Elizabeth Butterfield, Mr. and Mrs. M. P. Harrison and daughter Inez will entertain them with a supper at Carter's Camp Friday evening. Mrs. Johnston and her party will leave for the Atlantic Coast Tuesday morning. En route they will spend a few days in Chicago where the Butterfield girls were born and then go on to Richmond, Va., to join Mr. Johnston. They are leaving a host of friends here by whom they will be greatly missed, but whose good wishes will follow them.

WEATHER FORECAST—Fair except cloudy or foggy at night and in the early morning near the coast. Cooler in the interior.

TRUSTEES' MEETING

EXPERT IS WORKING WITH LOCAL HEALTH OFFICER ON CONDITION OF WATER

The Board of Trustees met in regular session Thursday evening, June 25th. All members were present.

The Board took up the hearing of protests against the opening and widening of Orange street between Lexington Drive and Milford street. Three of the signers of the protest previously presented to the Board filed requests to have their names withdrawn from the same. A number of interested property owners were present. Chairman of the Board stated that at the previous hearing it was evident that a misunderstanding existed in the minds of the property owners interested, as to the cost of the opening and the proposed improvement of the street, and in this connection he called upon the city manager for a statement in regard to information given out by his office in reply to questions as to possible cost. The city manager made a statement, and was followed by Arthur Brown, who explained conditions and circumstances in connection with the protests filed. The city engineer stated that with the three names withdrawn from the protest, the names left on the protest previously filed with the Board represented 49 per cent. of the frontage. Trustee Shaw presented the following resolution, which was on his motion adopted on roll call, all voting aye:

"Resolved, that the Board finds that protests against the opening of Orange street from Lexington Drive to Milford street, as proposed by Ordinance No. 347 of the City of Glendale, are not in due and legal form and are not signed by the owners of a majority of the frontage of the property fronting on streets or parts of streets within the assessment district for said improvement and that said proposed improvement is for the opening of said Orange street for a distance of one block between the termination of two portions of said street existing at the time of the passage of said ordinance of intention, each of which portions of said street is at least five blocks in length, and that the opening of said Orange (Continued on Page 4)

TEACHERS GO EAST

Miss Annie L. McIntyre, principal of the Central Avenue School, and Miss Ida Waite, principal of the Colorado Street School, leave tonight (Friday), for Chicago. From there Miss McIntyre will go to Wisconsin to visit friends and later will go east to Boston and across the line into Canada. Miss Waite will divide her time between Chicago and Indianapolis and hopes while in the Windy City to see her nephew, a soldier on his way home from abroad with his bride, a Russian girl, whom he met in London and whom his family is prepared to warmly welcome. She will return via Minneapolis and Seattle, visiting relatives in the State of Washington. They will leave on the Owl tonight via the Southern Pacific, and will have a few hours between trains in Oakland.

ENTERTAINS DAUGHTER FROM NEW YORK

Mrs. Ellen Mulvihill of 134 North Louise is enjoying this week a visit from her daughter, Mrs. Ethel M. Krutroff, of New York City. Mrs. Krutroff is registered at the Alexandria, but will spend most of her time with her mother. She is contemplating the purchase of a home in Southern California and Mrs. Mulvihill will endeavor to interest her in a Glendale location.

SURPRISE DINNER

Mrs. Lawrence W. Chobe was delightfully surprised in celebration of her birthday Wednesday evening. Her husband and sister-in-law took advantage of her absence in Los Angeles on a shopping tour to arrange for a dinner party at which covers were laid for her father, J. J. Muhleman, her sister, Miss Minnie Muhleman, Mrs. Frank M. Chobe, Mrs. Grace Chobe and her daughter Dorothy Chobe, Master John Muhleman, son of R. G. Muhleman, and, of course, Mr. and Mrs. Lawrence Chobe.

The house was beautifully decorated with flowers and palms according to a pink and green color scheme. Streamers of pink and green ribbon and ivy were festooned from the chandelier to the places set for guests and place cards repeated the colors in a decoration of four-leaved clovers and blooms. Following the dinner a pleasant evening was spent with music and games.

MERCHANT VESSEL RUN DOWN

A JAPANESE STEAMER COLLIDES WITH SCHOONER "FRIENDSHIP" OFF COAST OF NEW YORK

(Special Service to Glendale Evening News)

NEW YORK, June 27.—The Japanese steamer Tsuruga Maru today wirelessly the Navy Department that she is unable to find any trace of the vessel with which she collided sixty miles off the New York coast at midnight. It is feared that all perished on the unidentified craft. Navy officials and the Japanese captain thought the vessel was probably a fishing boat. The Navy has sent out tugs to make a search. The collision occurred during a heavy fog and the Tsuruga Maru was not damaged.

LATER:—This afternoon's advices stated that the vessel was the schooner Friendship bound for Buenos Ayres with a linseed cargo; that one seaman was lost and the vessel badly damaged.

GERMAN DELEGATES DUE IN PARIS TOMORROW

HERR GIESBERTS AND HERR LEINERT WITHDRAW FROM DELEGATION AT LAST MOMENT

(Special Service to Glendale Evening News)

VERSAILLES, June 27.—It was officially announced today that the German peace delegates left Berlin at midnight and will be due in Paris at seven o'clock tomorrow morning. Foreign Minister Mueller and Colonial Minister Bell head the delegation. Herr Schmidt, the international law expert, Herr Krause, economic expert, and one other high official will accompany the ministers. Herr Giesberts and Herr Leinert, who had been named as members of the delegation, withdrew at the last moment.

NATIONAL PROHIBITION ENFORCEMENT

DRYS BELIEVE ENFORCING ACT NOT IMMEDIATELY NECESSARY—PRESIDENT EXPECTED TO EXEMPT WINE AND BEER

(Special Service to Glendale Evening News)

NEW YORK, June 27.—With three days remaining before prohibition becomes effective, the situation is this:

Prominent officials and congressional leaders still expect the President to exempt light wines and beers, and are expecting him to act when the treaty is signed. The dry leaders admit the impossibility of passing enforcement legislation before July 1st and believe that prohibition can be enforced under the provisions incorporated in the original wartime prohibition act without passing a new enforcing act immediately.

WASHINGTON, June 27.—The House Judiciary Committee reported formally, in the House enforcement legislation for both wartime and constitutional prohibition. For the enforcement of wartime prohibition the committee has eliminated some of the most drastic features of the constitutional enforcement measure.

HOUSE VOTES TO PLACE LIMIT ON ARMY

BY VOTE OF 220 TO NOTHING IT FIXES LIMIT FOR COMING FISCAL YEAR AT THREE HUNDRED THOUSAND

(Special Service to Glendale Evening News)

WASHINGTON, June 27.—The House by a vote of 220 to nothing insisted that the army appropriation bill should limit the army for the next fiscal year to three hundred thousand. Chairman Kahn of the House Military committee said the Senate conferees had agreed to accept this figure.

COUNTER-REVOLUTION OVERTHROWN

REVOLT AGAINST HUNGARIAN SOVIET REPUBLIC IN BUDA PESTH PUT DOWN AND ORDER RESTORED

(Special Service to Glendale Evening News)

COPENHAGEN, June 27.—Dispatches received today state that the counter-revolt against the Hungarian Soviet republic in Buda Pesth has been suppressed. Tuesday night there was street fighting and the river monitors bombarded Soviet headquarters. It is stated that the counter-revolutionary leaders were captured and that order has been restored.

ESCAPE OF CROWN PRINCE DENIED

DUTCH GOVERNMENT OFFICIALLY ANNOUNCES HE IS STILL ON ISLAND OF WIERINGEN

(Special Service to Glendale Evening News)

THE HAGUE, June 27.—The Dutch government today announced officially that the former German crown prince is still on the island of Wieringen, and denied that he had escaped to Germany as was reported to the peace conference yesterday.

"BOB" FREEMAN WEDS

POPULAR MANAGER OF CHAFFEE STORE TAKES UNTO HIMSELF A WIFE

Thursday evening, June 26th, at the home of the bride's parents, Mr. and Mrs. Elmer Davis, 554 North Mentor avenue, Pasadena, Robert Freeman and Miss Ella Davis were joined in marriage, Rev. Carl Henry, of the Universalist Church, performing the ceremony. Only the family and close friends, about 25 people in all, were present.

The house was beautifully decorated with carnations and asparagus ferns, the central feature being a bower with a beautiful floral dome. After the ceremony the wedding supper was served. The central figure was a large wedding cake, exquisitely decorated, which was made by the bride's sister. This sister acted as bridesmaid; Walter Lotus was best man.

The bride was gowned in dainty fawn crepe de chine and the bridesmaid wore a white silk batiste. Both carried bouquets of sweet peas. The bride was very popular in Pasadena society. She was connected with the general offices of the H. G. Chaffee Co. in Pasadena. The groom is the always smiling manager of the Chaffee Glendale store, No. 17, and has made friends without number during his business career in Glendale. All congratulate him on winning so fair a bride and her on securing a life partner so capable in every way. They were the recipients of many beautiful and costly gifts. After a few weeks' honeymoon Mr. and Mrs. Freeman will take up their residence in their beautiful bungalow home on Lexington Drive, in Glendale.

REFERENDUM - PETITIONS LARGELY SIGNED

Osteopaths and their friends in Glendale as well as all over the state have been extremely busy this week in securing signatures to a referendum petition designed to hold up for two years the action of an amendment to the medical act, which, by means of an adroitly camouflaged joker slipped into the bill at the last moment, prohibits the use of antiseptics by osteopaths and makes the purchase of some simple and urgently needed drugs such as lysol and iodine unlawful, even in the smallest quantities, without a doctor's prescription. The petitions have been very largely signed. Dr. T. C. Young headed the campaign for signatures in Glendale.

BOY SCOUT NEWS

The Boy Scout Court of Honor met Wednesday evening at the High School. Present were Dan Campbell, E. E. Harwood, A. C. Read, Richardson D. White and L. T. Rowley. There were also present several Scouts seeking honor badges. Robert Searle, Scout Leader of Troop 1, made application for nine honor badges, Walter Sullivan and Andrew Ballantine of the same troop applying for four and five badges, respectively. Robert Burns of Troop 4 was also an applicant for an honor badge.

An examination in swimming was held at Brookside Park Wednesday. Each contestant had to swim 100 yards, to swim 50 feet on his back, to dive from the surface and demonstrate various strokes in swimming, such as the side stroke, breast stroke, crawl, etc. Richardson D. White was present at the examination.

George Howe of 322 West Eulalia is qualifying as a First Class Scout and has only one more test to take.

AT HUNTINGTON BEACH

Quite a colony of Glendale residents are sojourning at Huntington Beach and attending the camp meeting services there, the list including: Misses Edna Phillips, Pauline Ennes, Mildred Williams, Emily Kopp and Helen Muhleman, Mrs. Fannie Marple and her daughter, Mrs. Fannie Retts and family, and Mrs. A. W. Williams, her son and daughter.

BRALY'S GO TO BIG BEAR

J. H. Braly of North Brand boulevard, his daughter and son-in-law, Mr. and Mrs. Charles W. Kirk of Santa Barbara, two young lady friends, Misses Helen McCammon and Miss Virginia Hall, Mrs. Braly's maid Frances Elam, and Chauffeur Walter Clement, left this morning by auto for Mr. Braly's cabin at Big Bear Lake. Their machine was loaded to the guards with all kinds of supplies and they plan to be away about ten days and to beat the record as fishermen. Mrs. Braly preferred to remain in the comfort and quiet of her own home, but is lamenting the absence of her chauffeur.

ALUMINUM HONEYCOMB

L. T. ROWLEY AND CAPT. JACKSON GREATLY INTERESTED IN VISIT TO FACTORY

In addition to the formal report submitted by his committee to the Greater Glendale Development Association at its last meeting relative to aluminum honeycomb, L. T. Rowley stated that the factory building examined by him and Captain Jackson is about 40x150 feet in ground floor dimensions, the space being taken up by machinery for cutting the aluminum from the sheets in which they purchase it, and rollers to roll it out very thin. It is then annealed in a furnace and carefully trimmed, the edges being ground by other machinery to take off all roughness. After this it goes through a crimper which makes the cells and at the same time punches holes in the rows of cells for the admission of the wires which join the different sections of the comb together. It is then assembled, the wires are inserted and the sides of the comb are nailed on. When this stage has been reached it is ready to be treated with beeswax which is done to cause the bees to accept it more readily.

The company is now preparing an assembling machine which will greatly expedite the work of putting the frames together and make possible a much greater output.

Mr. Rowley says it appeals strongly to him because it would be a great time saver to the honey bees and enable them to lay in a greater supply of nectar during the season, which is sometimes rather short in California. Also it would do away with the melting down of the combs in the hot season and the destruction of the bees in consequence.

It would likewise be a great help, he says, when apiaries are attacked by foul brood, the most serious disease to which bees are subject, and would protect against the bee moth which could not penetrate the aluminum combs.

Another feature not usually brought out in demonstration, is the saving of hundreds of combs broken in handling because they pull apart so easily. The six wires which extend through these frames are clinched at the top and bottom, preventing the pulling apart and effecting a great saving to the beekeeper.

After the honey has been drained from these combs they are ready for use again.

ARCHITECT LINDLEY BUSY

Arthur G. Lindley was in El Monte Wednesday evening to deliver plans for the new M. E. Church to be built there soon. It is to be of brick exterior construction with granite stone facings. The style of architecture is Gothic and the plans call for departmental sections containing numerous class rooms, and for social and athletic accommodations. Mr. Lindley is anxious that some of our Glendale contractors endeavor to secure the job, which is to be let July 16th. He says he is now completing plans for a \$5000 modern residence in Highland Park for a capitalist named Madison on Avenue 56.

PORTER-RIGGS

MISS FERN PORTER BECOMES A BRIDE AT PRETTY HOME WEDDING WEDNESDAY

The wedding of Miss Fern Porter and C. Clifford Riggs occurred Wednesday afternoon at the home of the bride's parents, Mr. and Mrs. J. Doyle Porter, at 103 North Central avenue. Only immediate relatives were present, and W. E. Edmonds was the officiating clergyman. Mr. and Mrs. Riggs left at once for a brief wedding journey and on their return will be at home to their friends at 422 West Harvard street.

Mr. Riggs returned from army service in France about two months ago. He is in the employ of the National Bank of California in Los Angeles. Miss Porter, who at one time was on the staff of the Glendale Public Library, has latterly been an employee of the Pacific Mutual Life Insurance Company in Los Angeles. Both have been active workers in the young people's societies of the Glendale Presbyterian Church and have a host of friends.

Robert Rowley, son of Mr. and Mrs. L. T. Rowley, who recently returned from army service abroad, has entered the employ of the Glendale Electric Company.

Mrs. D. H. Johnson of 328 West Colorado street has received a telegram from her husband announcing that he is en route and will soon be home.

Mr. and Mrs. J. W. Dalrymple and daughter of 1001 South Central avenue are leaving this week for the mountains to be gone for several weeks.

Arthur Whipple of Verdugo Canyon and Edward Newcomb of 124 North Everett street, left Monday for Taft where they have secured employment in the oil fields.

Fred L. Thompson of 214 West Harvard street was suddenly called to Sacramento yesterday on urgent business for his firm, the Peninsular Stove Company, and will be gone a week or more.

Mrs. Burbank, wife of Dr. Glen C. Burbank, of Long Beach, was the guest of Mrs. M. I. Baird of Brand boulevard the early part of the week. She and Dr. Burbank are leaving Monday for San Francisco en route for the Orient, and will stop on the way at Honolulu.

Leslie Tarr, who returned from hospital service at Gulfport, Miss., a few days ago, has gone to work just where he quit to enlist, more than two years ago, with the Los Angeles Express, at an advance of \$8.00 a week in salary.

Friends of Miss Susine Wessels and Miss Olds—who have been visiting friends in Minnesota for several weeks—have been advised that they will sail from New York July 5th for Cape Town, South Africa. Miss Wessels was born in Africa and is going home.

Robert Blackburn, Owen Showalter and Tommy Lyons with large courage started Monday on a hike to Oxnard on a search for work in the bean fields. Letters received by their friends bring information that they received lifts all along the way and had done no walking to date. California motorists are a kindly lot.

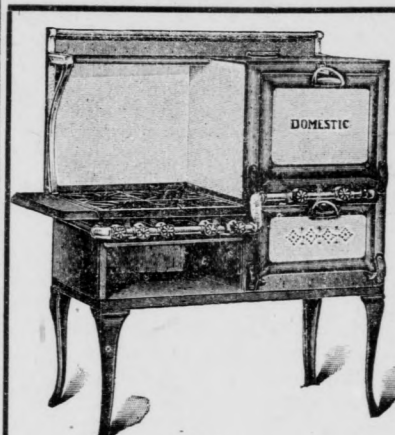

Mrs. W. C. Buchanan of 612 South Glendale avenue and her niece, Miss Burford, have just returned from a seven-weeks' visit in Kansas City and St. Louis. They found it very warm and hurried home on that account. The crops, they report, look fine as much rain has fallen this spring and summer.

Mr. and Mrs. L. T. Rowley and family will go to Downey for a week-end house party and family reunion of the Newcomb family, of which Mrs. Rowley is a member. They will be guests of Miss McKellar of Downey. The gathering is in honor of Mrs. Rowley's brother, who has recently returned from army service in France.

When last heard from Hill McGillis, son of Mr. and Mrs. J. N. McGillis, of 1003 East Lomita street, was about to have a furlough which he expected to spend in Belgium, Italy and the parts of France he had not seen.

Mr. and Mrs. Leigh Bancroft of this city, Dr. Emil Tholen, his sister, Miss Tholen, and his little son, Bob, spent the week-end at Camp Torreio in the Little Tujunga. The Bancrofts are planning to go up onto the Kern River for the Fourth of July.

NOTICE CALLING FOR BIDS

The Board of Trustees of the Glendale City School District will receive bids on materials and supplies to be furnished and on work to be done, on the second Thursday of each calendar month from July 1, 1919, to July 1, 1920, inclusive.

Such bids must be delivered at the office of the Board at the Third St. School not later than 5 o'clock p. m. on the day when they are to be opened. Lists of materials and supplies to be furnished and of work to be done will be available at the office of the Board on and after the first Thursday of each calendar month.

ANCIENT AND MODERN EDUCATION

The predicted reaction has come in the academic halls. Princeton, long a stronghold of the classics, requires no Greek either for getting in or out, and one year's study of Latin is all that is demanded for the degree of bachelor of arts.

Yale goes even further. No Latin is required for entrance to the university, nor any advanced algebra, trigonometry or solid geometry for Sheffield Scientific School. Even Oxford, the ancient English seat of education, sponsors the statement that "the classics, while all admit their inestimable services to learning in the past, are gradually receding into the background."

Of course, this revolution is aimed to meet the present demands for that sort of education which shall fit men to get rich the quickest, and to meet the condition arising from the high wages of unskilled labor; but it is a mistake to let it go too far.

There may be more money in the modern languages than in ancient, yet some knowledge of ancient languages is of inestimable benefit in mastering the modern tongues and understanding the modern races that speak them. Undoubtedly, much time has been wasted in old-fashioned, tortuous methods of calculation; but for all that, engineering is based on higher mathematics.

The past, in spite of all our modernity, cannot be ignored entirely, for it is straight to its "inestimable services" that we owe our present high development.—Riverside Press.

Mayor Albin of Salem, Ore., announced his intention of resigning to take up the more lucrative occupation of farming.

After a brief stay in Glendale, Mrs. John N. Marsh, formerly of 237 N. Cedar street, has returned to her mother, in Lincoln, Nebraska, where she will make her home. During the eight years of her residence here, Mrs. Marsh endeared herself to many people and she will be sadly missed by her Glendale friends and neighbors.

Mrs. Henry Grauel of 3506 Perilita avenue, entertained at a six o'clock dinner Wednesday the following guests: Mrs. Sheerholtz of Eagle Rock, Mr. and Mrs. Arthur Foster of Hollywood, Mr. and Mrs. Fred Anderson of Los Angeles, Miss Emma Reingi of Madison, Wisconsin, Mrs. M. M. Schout and Miss Adda G. Burch. The party remained for a social and musical evening.

The fire call Thursday at noon came from the home of Mrs. Grigg at 540 Fairmont street, a thoroughfare just off Pioneer Drive. When the firemen arrived they found a rubbish fire had ignited a fence which was burning fiercely and threatening the residence. All the apparatus was taken as the lady who gave the call was too excited to explain the extent of the blaze, which, of course, was extinguished by the firemen.

Mr. and Mrs. Alfred Fischer and two daughters, who came to California from Staten Island, New York, a month ago, and immediately bought the J. E. Peters home at 400 West Colorado, moved in this week. They are long-time friends of James Neill, 126 West Lomita avenue, and it was his constant praises of Glendale and her people that decided them to locate here. Mr. Fischer is a retired business man and he and the family will take life easy, enjoying motor trips to the many scenic points of Southern California.

Quite a delegation of representatives of the Pacific Union Conference are now in attendance on the camp meeting at Modesto and will go on to Lodi in a few days. The list includes: Elder J. W. Christian, president of the Pacific Union Conference; Secretary-Treasurer B. M. Emerson; Field Agent F. E. Painter; Elder J. A. Stevens, who has charge of the Home Missionary Branch; Prof. W. W. Ruble, Young People's Secretary; Frank Coffin, Publicity Secretary; W. C. Raley, auditor.

street through said intervening block will together with such different portions of said Orange street make one continuous street, and that all of said protests against said opening of Orange street are hereby denied.

Mr. Bernays, a resident of Verdugo Canyon, addressed the Board in reference to a permit to construct a cess-pool on his property. He had secured a building permit, but had discovered later that under the City Ordinance, the purpose of which is to protect the purity of the water, he is unable to complete his plumbing work. He was informed that owing to the failure to adopt the bond issue proposition at the recent election, the matter of putting the water underground in Verdugo Canyon, which it was hoped would do away with the present necessary restrictions in regard to improvements in that section, is deferred for the present, and that the conditions of the Ordinance will have to be complied with.

A written request was received from W. E. Anderson for permission to cut down a pepper tree on the northwest corner of San Fernando Road and Los Feliz Road. Referred to city manager.

The application of L. Lombardo, a hearing of which was set for this date, for permission to establish motor service over the streets of Glendale, between Los Angeles and Van Nuys, was brought up at this time, and owing to the absence of the applicant and of information as to advertising, etc., the hearing was, on motion of Trustee Shaw, continued until 8 o'clock p. m., July 10, 1919.

A letter was read from Jesse E. Smith expressing appreciation of the action of the Board of Trustees in issuing certificates in recognition of service performed by Glendale citizens in the great war.

Report of the tax collector for the week ending on this date was read, showing receipts of \$285.52, making a total for the season of \$84,255.50.

A communication was read in the form of a demand from the Crown Laundry Co. for credit on account of money paid to the City of Glendale under protest, under an ordinance afterward declared illegal. The communication stated that the company is willing to accept payment of the \$100.00 involved, in the form of a license to do business under Ordinance No. 348 for such a period as will consume the claim. On motion of Trustee Henry, referred to City Attorney.

Communication was read from the city manager concerning the complaint formerly presented to the Board by Frederica Greve, in regard to the waste water from the ice factory on Wilson avenue. The city manager stated that he had examined the conditions existing in regard to this complaint, and is of the opinion that the manner of disposing of the waste water can be and will be improved, but recommended that no action be taken at the present time, as the plant will probably in the near future substitute electric energy for steam power, doing away with any necessity for waste water.

The canvass of returns of the bond election of June 17, 1919, was taken up, the chair appointing Trustees Henry and Jackson tellers, and Trustees Shaw and Woodberry clerks, to canvass the vote. The canvass being completed, Trustees Shaw offered a resolution, which was on his motion adopted, all voting aye.

The canvass showed:

Total number of votes cast in all precincts for said proposition	570
Total number of votes cast in all precincts against said proposition	434

Total votes cast in said election

That more than a two-thirds majority of the votes cast at said special election held in said City of Glendale was not in favor of the proposition so submitted and said proposition is hereby declared not to have carried.

Compensation of Engineer of Public

Service Department

Trustee Shaw offered the following resolution, which was on his motion adopted on roll call, all voting aye:

"Be it resolved by the Board of Trustees of the City of Glendale that on and after July 1, 1919, the engineer of the public service department shall serve without compensation, except that when he shall be directed by the board to perform any engineering services the Board may agree with him on special compensation to be paid to him for the services so directed, and Resolution No. 1063 of this Board is hereby repealed so far as the same relates to the compensation of said engineer."

The city manager made a report in regard to water supply on West Broadway between Pacific avenue and San Fernando road, and on motion of Trustee Shaw it was ordered that the public service department be and is hereby instructed to supply water at the usual city rates to the residents of that territory, provided that pipe service can be secured without charge to the city.

Trustee Henry made a motion, which was adopted, that when the Board adjourned, it would be to meet at 7:30 p. m. Tuesday, July 1, 1919.

Transfer of Funds

On motion of Trustee Shaw, it was ordered that the following transfers of funds be made, the motion being adopted on roll call, all voting aye:

1. Public Service Fund to General Budget Fund, \$9,650.00.

2. From General Budget Fund to General Reserve Fund, \$2,087.24.
3. From General Budget Fund to Insurance Reserve Fund, \$525.00.

Trustee Shaw made a motion, which was adopted on roll call, all voting aye, that transfers be made as follows:

1. From Ornamental Lighting District Fund No. 6 to Insurance Reserve Fund, \$5.87.
2. From Ornamental Lighting District Fund No. 9 to Insurance Reserve Fund, \$193.60.

Condition of Domestic Water Supply

City manager made a report on the condition of the domestic water supply. He stated that Dr. Griffin of Los Angeles, an expert on the subject, had been employed to investigate the matter, and had been working on the same in conjunction with Dr. Chase, the city health officer, and Mr. Chobe, the building inspector. Dr. Griffin's report is not yet completed, but will show that the foreign substance which has recently appeared in the drinking water of the city is a species of white moss, which Dr. Griffin had found to exist in small quantities along the banks of the stream, but not in a quantity sufficient to account for the quantity of it present in the water supplied through the pipes, the inference being that there is some of this growth in the reservoirs. Dr. Griffin had found that the water in the intake is remarkably clear and free from pollution. He recommended that reservoirs and the entire pipe system be flushed as soon as possible. This will be done as soon as the weather and other conditions permit. Dr. Griffin's report will show that this vegetable growth is not in itself injurious. The city manager expressed the opinion that chlorination of the water should be resorted to.

Adjourned.
